

Hello, my name is [Your Name], and I'm a constituent from [City]. I'm calling to ask Senator/Representative [Last Name] to please support Senate Bill 32, represented by Senator McMath, in the upcoming March 2026 session.

This bill is very important to families who experience stillbirth. Many hospitals do not currently provide perinatal bereavement care or cooling devices that allow parents precious, unhurried time to hold their baby, create memories, and say goodbye with dignity. SB 32 would help ensure families across Louisiana receive compassionate care during one of the most devastating moments of their lives.

Personal note (optional):

[Briefly share why this bill matters to you or your family.]

Thank you for your time, and I respectfully ask the Senator/Representative to co-sponsor and vote yes on SB 32.
